But earthlier happy is the rose distilled  
Than that which withering on the virgin thorn  
Grows, lives, and dies in single blessedness.

**A Midsummer Night's Dream, 1. 1**

My heart  
Is true as steel.

**A Midsummer Night's Dream, 2. 1**

Cupid is a knavish lad,  
Thus to make poor females mad.

**Midsummer Night's Dream, 3. 2**

The iron tongue of midnight hath  
told twelve;  
Lovers, to bed; 'tis almost fairy  
time.

**A Midsummer Night's Dream, 5. 1**

If we shadows have offended,  
Think but this, and all is mended,  
That you have but slumbered here  
While these visions did appear.
